

Cristal Blue Carriage Announces 'Boutique Transport Boutique Wineries' in Napa and Sonoma

As drivers and tour guides for another transportation company that serviced the Wine Country, Chris Rodriguez and Bill Kane saw and seized an opportunity. The opportunity, was to foster the unmet customer service needs of the industry. Cristal Blue Carriage was born from their compassion for people with a zest for life. As well as their love and respect for the Wine Country and the wine industry.

Chris and Bill purchased two classic limousines and painstakingly modified them to accommodate the varying needs of Wine Country patrons. They lovingly refer to their vehicles as "Carriages," rather than limousines because they are far more intimate than your average limousine. The carriages have GPS to navigate through the beautifully rural scenery of Wine Country. For guests not having their wine selections shipped, insulated trunk compartments help the transporting of your wines.

A free consultation with Chris or Bill is offered prior to each excursion. This will assure your tour's uniqueness to you. Based on your

preference in wines, if you would like a cave tasting, a barrel tasting, a garden tasting or lunch and tasting by a pool? Chris and Bill will help plan your quintessential, Cristal Blue Carriage Wine Country Experience. They provide only high-end service. If you would like to discover new and exciting wines and wineries then Cristal Blue Carriage is perfect for you. Let them show you their Wine Country.

HAGAFEN

So what do we call someone who's spent 10 years at Markham creating award-winning wines? (Why, rookis of the year, of course.)

MARKHAM VINEYARDS®

Since 1878, Markham's wines have been a reflection of the people who work here. Take winemaker Kimberlee Nichols. Ten years makes her a relative newcomer to Markham compared to Bryan Dal Bondio and Elen DalHazo's 28. Together, they strive to make the very best wines without an ounce of pretense. At Markham, great wine is what we value. **Real Napa. Real Values.**

Tastings Daily • 10am-5pm • 707.963.8888
